## President's Message

Ken Hamer

### *The Stuff You Find When You're Not Even Looking*

One of the best things about the internet is the stuff you find when you aren't even looking for it. Here are a few things I recently found that you might be interested in:

[Mac's Motor City Garage \(www.macsmotorcitygarage.com\)](http://www.macsmotorcitygarage.com)

This website covers all makes but has a bunch (great tech term, huh?) of interesting specific Chrysler info. Main topics include Automobile History, Car Museums in the Detroit area, Car Design, Detroit-built cars, Dreams and Nightmares, Hot Rods, Industry News, Motor City Landmarks, and others. The site also includes some outstanding vintage videos from years past of some great cars, aircraft and others. Check it out. You'll probably find yourself spending some time there.

[New Mopar Big-Block Wedge/Hemi Block](http://www.hotrod.com/articles/incredible-new-block-can-make-hemi-wedge/)

[\(http://www.hotrod.com/articles/incredible-new-block-can-make-hemi-wedge/\)](http://www.hotrod.com/articles/incredible-new-block-can-make-hemi-wedge/)

So you say you want to build a Mopar big-block but can't decide if you want a wedge or Hemi and you don't want to buy multiple blocks? With this new block, you'll only have to buy one but you will have to decide between the wedge and the Hemi before you start your engine build. Muscle Motors has a new block they've designed that can be built into either a big-block wedge or Hemi. The block features a lot of features and options. Interesting stuff if you may be contemplating a big-block build.

Now here's a question for you: Did getting the January issue of our club newsletter so early in the month and before the club meeting catch you by surprise? Our club Newsletter Editor has decided to change things up and publish the newsletter *before* each month's club meeting. So the February *Scat Pack News* should be out in late January. One of the things that this schedule will help with is getting upcoming important club meeting topics out to everyone so you will be able to think about them and be ready for discussion at the next club meeting. I think this will work out well. The only inconvenient thing so

## President's Message (cont)

Continued from Page 1

far was coming up with the January *President's Message* on short notice!

Unlike the past couple of years, our "busy time" of big club events is spread out a little bit for 2017:

- 68<sup>th</sup> Annual O'Reilly Grand National Roadster Show, January 25-29
- MATS (Las Vegas), April 20-23
- 16<sup>th</sup> Annual "Mopars In May At CSDR, May 21

Reminder! The January club meeting was moved to the 8<sup>th</sup> because New Year's Day fell on our usual meeting date this year. The February club meeting will be on the 5<sup>th</sup>, the day after our 2<sup>nd</sup> Annual "Unholiday" party. Make sure your calendar is marked correctly.

Our "Unholiday" party is scheduled for 4:00PM in the banquet room at Marie Callender's, 2149 E. Convention Center Way, Ontario. Just like last year, club members will pay for their own dinner - approximately \$20 per person. Dinner will include salad, cornbread, choice from 3 different entrees, tea, coffee or soft drinks, and choice from 3 different pies. Norma should have more details at the January meeting. We will also have a gift exchange like we have done in the past. Men will bring a man's gift to exchange, women will bring a woman's gift to exchange. Suggested value is \$20 minimum.

I know, the February meeting is Super Bowl Sunday. We'll have you on your way home well in time for the game. Kickoff isn't until 3:30 PM PST, and do you really need to watch eight hours of pre-game?

Speaking of the Super Bowl...Carol Brander extended an invitation at the December club meeting to a Super Bowl party like they had last year. We'll discuss this more at the January club meeting.

One more thing about February: The "Dr. George" car show at the Indian Wells Tennis Garden on February 11 is PRE-REGISTRATION ONLY. New for 2017, you can no longer register at the gate. So if you're planning to have your Mopar be one of the 900 cars in attendance you better send your registration in ASAP. The latest news from Susie of Hot Desert Mopars is the show is more than half sold out already. And when you register, make sure you specify 'Reserved Parking'. Then send your registration information to Susie ([b5babyblues@aol.com](mailto:b5babyblues@aol.com)) and she will stake out an area so we can park all of the Mopars in one place. Here's a link to where you can register:

<http://www.palmspringscruisinassociation.com/dr-george-charity-car-show.html>

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the members //

## Meeting Minutes-November

The meeting was called to order at 10:00AM by the Sergeant-at Arms, Steve Backer

Present: Steve Backer, Sil & Carol Brander, Mike Counts, Sam Frisby, Joey & Daemon Garcia, Jason & Zoey Gibbons, Ken Hamer, Bill Heckman, Mike Keller, (new club member) Ken MacRae, Ed & Linda Sobiecki, Ken & Kim Strathman, Larry & Franki Torres and Bill & Debbie Whitson.

Introductory roll call was held for new club member Ken MacRae. A memory test was not conducted.

**Treasurer's Report** - Sam reported that we will finish 2016 with 30 member families

**IECCC** - No report since they are closed for the balance of the year.

### **Past Events:**

- **A Flag for Every Hero**, flag placement - November 10 - Riverside National Cemetery - Ken thanked Bill & Debbie Whitson and Steve & Beth Backer for representing Inland Mopars and helping to place flags on the gravesites. They reported the event went well although there were not near as many people in the morning, but attendance increased as the day went by. Steve reported he must have placed 1000 flags compared to the 100 he's placed in the past when the event was on a weekend.
- **Mopars at Extreme Automotive** - meet-n-greet - November 12 - Mike Keller reported attendance was up over 59% and toy volume about double the 2015 event. San Diego Mopars, Diamond Valley Mopars and SoCal Challengers had club members attending. Another low-key kind of day for a great cause. The 2017 event date has already been scheduled for November 11. Mike also reported Mary Leatherman's comments about possibly restricting the size of future events. Other club members who attended had nothing but praise for this event.
- New club member Ken MacRae's '52 Dodge Coronet won "Best Custom" at a recent Rockabilly event.
- Joey and Daemon's Duster received a Ribbon of Merit award at the 2016 Fall Fling event.

### **Upcoming Events:**

- **Wreaths Across America** - December 17 - Riverside National Cemetery - We will meet at RNC at 8:30AM to place wreaths on club member family gravesites. The dress code is the same as "A Flag for Every Hero".
- **Extreme Automotive Christmas party and toy drive** - December 17 - There is an open invitation to all Inland Mopars Car Club members. Toys will be taken out to Fort Irwin on December 18.
- **January club meeting** - It was decided after the December club meeting to reschedule the January club meeting to January 8<sup>th</sup> rather than attempt to hold the meeting on New Years Day.
- **Grand National Roadster Show** - January 25-29 - The schedule for the 2017 GNRS was reviewed and the work schedule sign-up sheet was passed around for member signup.
- **2<sup>nd</sup> Annual Unholiday Party** - February 4 - Scheduled for 4-7PM at Marie Callender's Restaurant & Bakery, 2149 E. Convention Center Way, Ontario, 91764. We will have our usual gift exchange and poach. Men to bring a \$20 "manly" gift and Ladies to bring a \$20 "girly" gift to exchange. Norma reminded everyone that we need a minimum of 25 members to attend; we will be charged for 25 people even if we do not have enough members attend. Club members to pay for their own meals.
- **15<sup>th</sup> Annual Dr. George Car Show** - February 11 - Indian Wells Tennis Center - Ken suggested that all those who are planning to attend pre-register with reserved parking so we can park as a group. Susie from Hot Desert Mopars will stake out a reserved parking area so all the attending Mopars can park together.

## Meeting Minutes-December (cont)

Continued from Page 4

- **32<sup>nd</sup> Annual H.E.M.I. Car Show** - February 19 - Glendale Community College, Glendale, Arizona
- **March club event** - Ken advised we still need to schedule a club activity for March. Mike Keller suggested we go back to Randy's Drag Racing Museum in Lake Elsinore. It was moved and seconded by the members present to make this our March club activity. Mike Keller further suggested we schedule this activity to immediately follow the March 5<sup>th</sup> club meeting. Ken Hamer will check to see if the date is available.
- **April** - A very busy month with the following events taking place:
  - April 8** - 14<sup>th</sup> Annual Corn Feed Run Car Show, Chino
  - April 8-9** - Spring Fling, Woodley Park, Van Nuys
  - April 8-9** - 4<sup>th</sup> Annual Muscle Car & Street Machine Nationals, Fairplex, Pomona
  - April 9** - 9<sup>th</sup> Annual Chaffey College Car Show, Rancho Cucamonga (club event)
  - April 20-23** - Musclecars At The Strip, Las Vegas, NV (club event) - We will convoy to MATS on Thursday, April 20, and work the show as in past years, April 21-23.
- **May 21 - 17<sup>th</sup> Annual Mopars In May At CSDR** - The show flyer is now available on the club website and mentions optional online preregistration. Our webmaster is still testing "WooCommerce" plug-in to capture all necessary additional registration information. Mike Keller reported several preregistrations have been received and we have 2 food vendors confirmed to date. Mike suggested a revised show layout that will relocate the various vendors so show attendees will have to walk through the vendor area to reach the show registration area. Mike asked Jason Gibbons to start looking for a tent rental for the club area. There was a discussion about relocating the porta-potty area to somewhere more secure in order to eliminate the sabotage caused by a couple of kids during the 2016 event. It was also decided to have an outdoor hand-washing area so we can keep a better eye on it for security purposes. Mike also advised we should move our April 2 club meeting to CSDR in order to be able to review the show area. Mike reviewed the new judging procedure for Modern Mopars. Ken Hamer asked all club members to not be shy in checking with all possible contributors for "Opportunity Drawing" items: restaurants they frequent, grocery store, auto parts store, etc. Ken Hamer reported on parts purchase discount coupons he solicited from Pace Performance (a "For A-Bodies Only" website vendor). Mike also reported on discount coupons we will be getting from an online vendor who asked about helping to sponsor our annual car show.

### Round Robin

- Ken Hamer thanked Steve Backer and Mike Keller for their help in transporting his '69 Dart from the soda-blast location in Upland to the paint shop location in Lake Elsinore. Ken also reported on the unfortunate condition of the passenger-side rear quarter panel found after the Dart had been stripped of paint and old Bondo.
- Mike Counts reported he and his wife just found out a new granddaughter will be arriving in April 2017. Exciting news! Congratulations!!
- Ed Sobiecki showed everyone a t-shirt/sweatshirt design he'd like to have made. The design is based on the "It Takes A Mopar to Catch A Mopar" line from the Vanishing Point 2 movie. The artwork and legend will be embroidered rather than screen printed for longer-lasting durability. Bill Heckman mentioned the previous embroidery work done for club members by Jinah Saleh (Corona). Ken Hamer said he will provide Jinah's contact information to Ed.

Continued on Page 6

## Meeting Minutes-December (cont)

Continued from Page 5

- Mike Keller mentioned the Super Bowl day cruise to Peggy Sue's Diner for those looking for an alternative to watching football on Super Bowl Sunday 2017. Mike also mentioned we need to schedule time for club members to get together to help detail the vehicles that will be in the 2017 GNRS club display. Mike Counts and Ed Sobiecki will check their calendars and let Ken Hamer know when they have an open date for this activity. Mike further mentioned the August 2017 Alaskan car show ocean cruise opportunity that Phil and Mary Leatherman are taking part in. Mike also advised everyone of plans to start a "Member Recommended" page in the club monthly newsletter for repair shops or any vendors club members may be searching for to perform work on their projects.
- Sil Brander reported on several problems he's having with the MSD ignition system on his PT Cruiser race car and MSD's questionable support tactics.
- Larry Torres reported they have ongoing home improvement work going on: painting, carpeting and new landscaping.
- Bill Heckman reported on the continuing progress of moving vehicles from Smitty's old house to both Norco and the new shop location. Bill also thanked Steve Backer for his help in moving another vehicle from Smitty's to Norco.
- Ken Strathman mentioned he's having the engine for his '63 Dodge rebuilt again. Ken advised he's found someone who will R&R an engine for \$400 - \$200 to remove and \$200 to install. He also found someone who will assemble an engine from purchased parts and test run it for \$750 labor.
- Joey Garcia and Daemon reported they recently updated several electrical systems on their Duster. They have plans for more improvements over Daemon's winter break from school. Joey asked if anybody has a blasting cabinet he could borrow to clean up some small parts. They also reported a recent purchase of a 400-cid long-block out of a scrapped Chrysler New Yorker for \$300 - no plans yet on what to put it in.

As his last official act of 2016 as Sergeant-at-Arms, Steve Backer announced the close of the December club meeting at 11:45AM.

Respectfully submitted,

Judy Hamer

Recording Secretary

## Car Club Decals

Reminder; Ken Hamer has Inland Mopars Car Club decals for sale in a couple of different styles.

As seen on Bill & Debbie Whitson's '64 Plymouth Fury

As seen on Ken & Judy Hamer's '09 Ram

## Unholiday Party

When: Saturday February 4, start time to be finalized at January meeting

Where: Ontario Marie Callender's Restaurant & Bakery  
2149 E. Convention Center Way, Ontario, CA 91764  
Phone: 909-937-0214

Dinner Menu: Choice of one of the following 3 entrees for your meal  
Heartland Chicken Pot Pie  
Braised and Slow-Roasted Pot Roast  
Lemon Pepper-Crusted Salmon

All dinners include Caesar salad, cornbread and fountain drinks, iced tea or coffee.  
The meals also offer a slice of Apple, Chocolate Cream or Lemon Meringue Pie

Cost: \$26.00 = \$19.99 per person + sales tax of 8% (\$1.60) + 15% service charge added + (\$4.40) = \$25.99

All packages are per person. Prices are subject to change prior to paid confirmation. Sales tax and an additional 15 percent service charge will be added to all package prices. All parties of 20 or more require a \$50 deposit when booking the banquet (refunded/credited at the time of event).

As Ken mentioned in his President's message, we will be doing a gift exchange. Norma has requested no gag gifts like last year.

Norma has also requested that she be contacted either by phone or text (310) 351-6944 or e-mail [normaj4949@hotmail.com](mailto:normaj4949@hotmail.com) with your choice of dinner entrée from the list above as well as how many will be attending, preferably by February 1<sup>st</sup>.

## 2016 Fort Irwin Toy Delivery (submitted by Ken Hamer)

Judy and I picked up Mike Keller and headed out to Fort Irwin early on Sunday, December 18, meeting up with Phil & Mary Leatherman from Extreme Automotive and Ric and Jackie Carr from the National Street Rod Association in Victorville. Our little convoy arrived at Fort Irwin a little while later.

Just like last year we were met at the Main Gate by Sergeant Major Randy Cheadle from the Fort Irwin Directorate of Emergency Services, and were escorted into the main base area where we unloaded the trailer full of toys for the soldiers' kids and the boxes and bags of women's clothes for the soldiers' wives. We were joined there by Command Sergeant Major Daniel O'Brien.

It took a little longer to unload the trailer this year due to the increased amount of toys and the huge increase in bicycles. In 2015 there were 3 bicycles - this year there were 17!

One of the donated toys did not make it to the distribution to the soldiers' kids however. CSM O'Brien took one look at a very proud-appearing Bald Eagle and decided it would not be appropriately appreciated by a young child. Our National Symbol is now on display in the Fort Irwin trophy case for all to enjoy.

Continued on Page 8

## 2016 Fort Irwin Toy Delivery (cont)

The toys and bicycles will be distributed to the soldiers' kids in two batches. A smaller distribution for the children of those families remaining on base during the Holidays, and a larger "Christmas in January" distribution for the children of the families currently off base after they return from their Holiday leave. We were told there are anywhere from 400 to 1000 children that the donated toys will be distributed to. Each unit on base turns in a list of needy families. The lists are reviewed and the toys distributed as deemed appropriate.

Upon hearing this, we all decided we need to do more to help our soldiers' families.

After unloading the toys we had a very nice lunch - again at the only on-base facility open that day - Pizza Hut. During lunch we also talked about the opportunity for civilians to watch some of the intense training that goes on at Fort Irwin to prepare our military for what they will find when they're deployed to the Middle East. We will discuss this further at the January meeting to see who may be interested in driving out to Fort Irwin and joining in a NTC Box Tour.

Every flat space had boxes of toys stacked on it; floor, tables chairs, it didn't matter

Remember those Mopars at Extreme Automotive shirts you bought? This is what \$3 from each shirt sold bought. One bike from the 2015 shirts sold after the 2015 event & one bike from the sale of the 2016 event shirts, so far. Yes, it was cold. Yes, that is a smile.

Continued on Page 9

## 2016 Fort Irwin Toy Delivery (cont)

In amongst this motley crew you should find Command Sergeant Major Daniel O'Brien, Ric & Jackie Carr, Phil (white Santa beard) & Mary (white beanie) Leatherman, Ken & Judy Hamer, Mike Keller, Sergeant Major Randy Cheadle, and a couple of friends of the Leatherman's. Also in the photo are 3 of the bases finest (didn't get names) as well as the couple responsible for making sense of all these toys; (lady in red jacket without white beanie) & gentleman hiding behind the blue sack in front.

## Club Member Recommended Businesses

Chuck Merken says "He has a late model van with professional cleaning equipment, steam cleaning Etc. Brings his own pop-up and takes pride in his work...arrives on time and takes his time...cost \$100".

- 3: 23<sup>rd</sup> Annual Inland Valley Street Rods Rally & Cruise, Ontario
- 17: 22nd Annual Mopar Fest Car Show - Rio Rancho, NM, Mopar Muscle Club of NM - flyer available

## Grand National Roadster Show (GNRS) (again)

As Ken mentioned in his President's Message, we will again be working the GNRS as the annual club fund raiser. For those newer members, the GNRS is usually held the last weekend in January. It is where the America's Most Beautiful Roadster trophy is awarded so there are some high dollar cars

Continued on Page 11

## Grand National Roadster Show (GNRS) (again)

there. Don't be confused by the name of the show thinking this an all roadster show. At the 2016 show we spotted Gil & Janet Losi's beautiful '56 Plymouth, which ended up being chosen Best of Show at the 2016 Mopars in May at CSDR show. The show is open to all kinds of cars.

Our role in this show is we work the souvenir booth for the days they are open. We usually take the show hours each day, add an hour before & an hour after, and then split it in half. It usually ends up being 5-6 hours. It isn't hard work but it can get crazy busy on Friday & Saturday. If you work the booth you get free parking as well as entry into the show so plan on viewing the cars either before or after your shift.

We also do an Inland Mopars club display with usually 3-4 member cars on display inside the secure building for the weekend. This year's display cars belong to Mike Counts, '72 Plymouth Road Runner, and Ed & Linda Sobiecki, '70 Dodge Challenger. Greg McWhorter, '39 Chrysler Royal, won't be able to make it. We have a couple of event flyer racks in the display for Mopar events as well as open show events. Sign-ups as of the December meeting are shown below.
