Thoughts and Things...

First of all, please join me in welcoming our newest club member. Joe Bolin joined Inland Mopars at the July club meeting. We met Joe at the Sycamore Inn car show and must have behaved well enough that he decided to join the mayhem. Joe's classic Mopar ride is a 1969 Dodge Charger SE and his modern Mopar daily driver is a 2003 Dodge Ram. Welcome Joe!

Inland Mopars Car Club has been fairly stable with our membership count right at about 25 member families for the past several years. That's a mostly good thing! An even better thing is that our member families are almost 100% active in participation in both club meetings and club events. As we all know, we wouldn't be able to pull off our annual charity-benefit all-Mopar car show if we didn't have the support and participation of almost all of our club membership. But the not-so-good part is we are not doing a very good job of attracting new club members very quickly. One way to get our name out there and possibly attract some more new members is to get both our classic and modern Mopar rides out on the street and participate in more cruise events. There is a big old world out there just ready for us to explore and enjoy - and our Mopars were made to be driven. (Check out www.socalcarculture.com for a list of weekly cruises by you.)

The type of events I'm talking about do not need to be club events. In fact, club events aren't super effective in drawing in new members because they're usually a gathering of existing club members and we would have to rely on passersby possibly taking an interest. I'm talking about being proactive and participating in cruise events put on by either other clubs, service organizations or city groups.

One of the forum members from www.forabodiesonly.com is putting together a cruise for all SoCal Mopars either north or south on PCH/101. This is just in the planning stages right now, but he's thinking about the Saturday of Labor Day weekend. Possible destinations include San Diego, Ventura State Beach, Santa Barbara, Solvang, or Got any suggestions? You wouldn't even need to drive your classic Mopar as its open to Mopar daily drivers as well. Who knows? It

Sil Brander, '59 Plymouth, and Bill Whitson, '64 Plymouth, took home awards from the All American Car Show at Mira Mesa College in Encinitas July 15. Pretty good considering how many cars there were. In the photo below you see a few things you didn't see too much of two years ago. Blue sky, sunshine, dry pavement & the '64's hood up.

might end up looking like one of our club meetings...a Mopar truck club cruise! Give this some thought. This type of event sure sounds like fun to me.

Bring some additional ideas to our August club meeting for discussion.

I just received a text message from club member Rick Cook with a selfie showing Rick and Joseph Mosters sitting in Carrow's having breakfast. Guess who showed up for our July club meeting a week late? Rick further said he and Joseph held their own club meeting and that Rick won the monthly meeting raffle for a club member's vehicle of his choice. Good luck collecting that prize, Rick! He also said Joseph also won the other meeting raffle prize of a trip to Australia to hang out with our Aussie club member for a month or two.

I know several of you know Joe Machado from the Hot Desert Mopars group. Joe's also participated in past "Mopars In May At CSDR" shows bringing his trailer-towing 1969 Dodge Daytona and also his 3/8-scale wind tunnel test model. If you don't already have it or don't get it, pick up a copy of the September 2017 issue of *Hot Rod Magazine*. There is a really nice write-up about the 2016 re-creation of the Bonneville speed record run by the famed #71 K&K Insurance 1969 Daytona. The article also mentions Joe several times and has a couple of very nice pics of both the #71 and Joe's stock Daytona together on the salt.

If you have more interest in the Mopar "winged warriors", check out Joe's www.aerowarriors.com website.

As a reminder, don't forget about our 2017 annual club picnic on August 6 after the club meeting at the home of Sil and Carol Brander in San Jacinto. Bring your Mopar for our own little car show inside in the shade of Sil's warehouse. More information and directions in this issue.

Also, Carol is asking if several of us could show up about 10:00AM on Saturday, August 5, to help get the extra shade set up for the following day.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the members //

Meeting Minutes-June (not available for July newsletter)

The meeting was called to order at 10:05AM by Mike Counts Sergeant at Arms.

Present: Steve Backer, Sil & Carol Brander, Rick Cook, Mike Counts, Sam Frisby, Jason Gibbons, Ken & Judy Hamer, Bill Heckman, Norma Johnson, Mike Keller, Joe Martinez, Wayne & Cindy Parris, Ken & Kim Strathman, Bill & Debbie Whitson and Harry Windhorst.

Mopars in May at CSDR 2017 follow-up - Brandon Bowdidge, CSDR's Auto Shop Instructor, visited our meeting to bring us up to date on our car show for next year.

- He said will be involved to make sure the paperwork is complete before January for next year's show. Mike Keller reminded him that we need to know if we have approval by the first of October so we can get the show flyers printed.
- Brandon said he will follow up and make sure we can hold our show on the grass in the front next year. This will give us closer proximity for the Auto Shop tour also.
- He will look into having a Trophy Girl and having the school clubs participate in the vendor section.

Treasurer's Report - Sam reported that we have 24 paid member families so far in 2017.

IECCC - Norma reported the group had a BBQ Cookoff for 250 people at Lytle Creek.

Past Events:

- **May 13** - The American Car, Truck & Bike Show - Bakersfield, CA. Mike Keller and Steve Backer attended, said it was a nice open show with 217 cars, of which half were Mopars. It is held at a RV park with shade, restaurant & bar, outside beer garden & BBQ lunch cooked outdoors by the restaurant staff. They offered a hamburger, soda and chips for \$10. Mike said he would like to see this as a club activity in the future.
- **May 20** - Judy and Ken, Norma, Mike K, Ed & Linda Sobiecki, Larry & Franki Torres and Bill & Debbie Whitson met at Sil & Carol's house to sort through and pack the donated opportunity drawing items for our car show that didn't happen. Sil & Carol hosted a BBQ lunch; club members brought side items to go with the BBQ ribs and chili - for an outstanding lunch. The donations were sorted and packed away. Stacks of items were set aside for the Antelope Valley Mopars' car show in September, for San Diego Mopars for their show in July and for the Extreme Automotive Show in the Fall. Julie Walker for San Diego Mopars was on hand to have her trunk loaded with raffle items and join in the lunch.
- **May 21** - Mopars in May at CSDR - Mike Keller was at CSDR on the day of our show in case someone showed up who hadn't received word that the show was cancelled. He arrived at 6:20 AM and 8-9 vehicles with probably 15 people showed up by 10, when he left. One man drove in from Ojai. He also received a couple of e-mails from others that were there later.
- **May 27** - A Flag for Every Hero - Riverside National Cemetery. Thanks to Veronica Castro, Bill Heckman, Judy & Ken Hamer and Bill & Debbie Whitson for supporting this effort by placing American flags on the graves in honor of Memorial Day. It was a very nice ceremony, though shorter this year.
- **June 3** - 23rd Annual Inland Valley Street Rods Rally & Cruise, Ontario. Mike Keller, Bill Heckman, Mike Counts and Larry & Franki Torres attended, saying it was a good show with 350+ cars. Mike Counts received a trophy for ***Best of Class***.

- *Steve Backer's* Viper won a trophy at a Norco show called "Driven to Make a Change", which supports childhood cancer.
- *Mike Keller* spoke briefly with Phil Painter re our volunteer work at MATS. Phil asked him to give him a call to let him know when they could discuss this; Mike still needs to make that call.

Mike Keller suggested a joint BBQ/get together with other Mopar Clubs in the Inland Empire/San Diego areas: Hot Desert Mopars, Diamond Valley Mopars and San Diego Mopars.

Round Robin

Mike Keller - On 6/17 there's a car show in Yorba Linda hosted by the Boy Scouts. On 7/16 DCH Chrysler Temecula is hosting an Enthusiast Day with free food. Fall Fling is the last Saturday in October.

Mike Counts - attending the Rods and Rails show next Saturday.

Sam Frisby - mentioned we can still hold our car show at the Carpenters' Union Hall. He will contact them to see if it's still possible. Bill Heckman said he needs information from CSDR regarding the show; he doesn't want to see the club get burned again next year. Ken Strathman feels having the show at the school is sort of a tradition. Mike Keller asked the school to start the paperwork and we need to get approval by Oct. 8th ... or we look for a new venue.

Steve Backer - He and Beth are heading to Laughlin after the meeting - where it's 109 - for a few days of vacation. Son Adam is at Ft. Benning (GA) for basic training. Kyle graduates from college the 17th of June.

Sil Brander - NMCA was yesterday. He took his car out of the trailer, got it registered and the car wouldn't start. He called Holley but they aren't returning his calls. Before the sale, you're a customer; after the sale, you're a problem.

Ken Strathman - got the Italia a new paint job. A friend of his with a warehouse is going through his stuff and giving it away. Had to replace the windshield on the Mustang due to weather. Their grandson graduated from Northern Arizona.

There being no further business, the meeting was adjourned at 11:51 AM.

- Purchasing an enclosed trailer to store club items. *We already have free space at Sil & Carol's.*
- Prepare a statement explaining what our annual club car show charity donations have supported. *We'll give it a try at the next meeting.*
- Have door prizes at club meetings to keep members interested. *Perhaps*
- Once a year hold a swap meet to sell both club-owned and member-owned items ... this could be incorporated into the car show. *There aren't enough people in the club to do this at the car show. Perhaps the swap at Spring Fling and/or fall Fling.*

August Club Meeting & Picnic 2017

(May look similar to last month but text has been updated)

The club will provide beef & chicken kabobs like last year, as voted on at the June meeting, replacing the hamburgers & hot dogs we have had in the past. Norma will have Lemonade & Ice Tea. If you want something stronger than that you will need to bring it. Ken has asked for some help with kabob prep, meats & veggie slicing.

A side dish signup sheet was passed around the last two meetings. Here is what has been signed up to be provided to go along with the kabobs:

Baked beans & a dessert
 Potato salad
 Jello salad
 Cole Slaw

Chips & dip
 Fruit salad
 Cheese & crackers
 A couple of unspecified desserts

Norma still has not heard from the following: **Larry & Franki, Mike C, Bill H, Harry & Robin, Sam & Jennie, Chuck & Linda.** Her number is one Page 1 of this newsletter.

Remember, you are not expected to feed 30 people. There has always been enough food to go around plus left overs. Club members should plan on getting to Sil & Carol's place about 10:45 to get the food tucked away so we can start the meeting at 11:00. Guests are not expected but you never know.

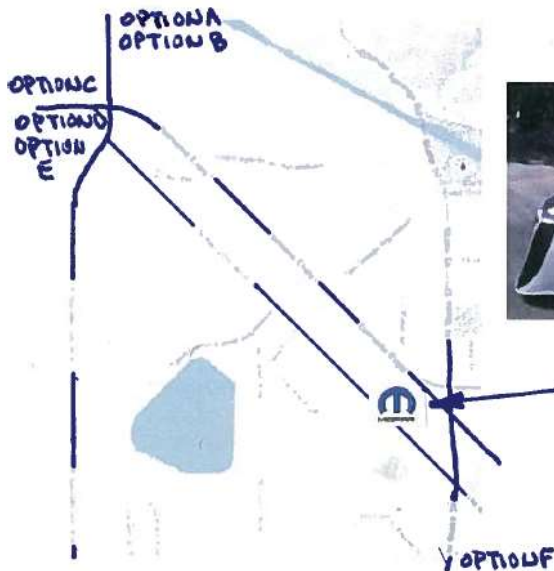

Disclaimer: Pictures below may or may not depict what actually shows up at the picnic.

DO YOU KNOW THERE'S MORE TO BLOOD TYPES THAN O, A, B AND AB?

It's true - and there's also more to the story than donating blood when it comes to helping patients in need and giving comfort to their loved ones.

Yes, blood donors are community heroes. Yes, each donation helps multiple patients in our community. And if you're not yet on that lifesaving team, we encourage you to find it in your heart to join us!

We realize that not everyone can give blood - but everyone CAN join forces in pursuit of LifeStream's mission - "We help save lives by connecting donors and patients through the gift of blood."

To help ensure the community continues to be made aware of the need, and for donations to be collected, processed, tested, and distributed takes commitment - the commitment of generosity YOU can help fulfill by joining us in LifeStream's first 5K LifeRun/Walk!

The event will take place Sunday, September 17, 2017 in Redlands.
