### *Miscellaneous*

Just a few things this month about club news and information....

For those of you who missed the club picnic, you missed great weather, a good time, good conversation and good food.

The weather was perfect. Moving the picnic to October was a great idea and something we should consider keeping up with. We had a fairly good turnout but it would be wonderful if everyone would come out to a non-car show activity just to have a good time and enjoy a great day. Both the pulled chicken (Thanks Norma!) and the pulled pork were outstanding as were all of the salads/side dishes/desserts brought by club members. As has been the custom each year, the food was great and there was plenty of it with 'doggy bags' available for leftovers to take home. Make plans to set aside the day next year and come on out.

I want to thank Tim Baer, Larry Torres and Bill Whitson for coming out on Saturday to help put up some shade structures, tables and chairs for all to have available on Sunday. We all made good use of it. Also, thank you to those who stayed after the picnic to help take them down and put them away.

Also, thanks to Joey and Daemon Garcia, Bill Heckman, and Mike Keller for attending Fall Fling on October 26 to distribute show flyers for our 20<sup>th</sup> Annual Mopars in May at CSDR charity-benefit car show scheduled for May 17, 2020. And thanks to Dave Miller for printing up some show flyers for Leo Tafoya to have available at his vendor spot at Fall Fling. Fall Fling is the traditional kickoff for our show flyer distribution.

Chrysler Performance West changed the rules on us again this year on the flyer distribution. I'm sure Mike will bring us all up to date at the next club meeting.

Sil Brander and Bill Whitson attended the 2020 California Hot Rod Reunion at Famoso Raceway October 26-27 with Sil's 1959 Plymouth Belvedere. Tim Baer also attended. Thanks to Tim's text messaging, I understand Sil got his Belvedere in to the 10-second bracket 2 out of

3 runs on Saturday. We'll have to wait until the November club meeting to find out how the rest of the event went.

In more club racing news, Dave Miller was planning on taking his Plymouth Valiant out to Auto Club Dragway in Fontana on October 26<sup>th</sup> for some end-of-season test-and-tune. We should have more race stories from Dave for discussion at the November club meeting.

Also, plans continue to progress nicely for our annual Christmas toy drive party. As reported last month, the party is scheduled for Saturday, December 14<sup>th</sup>, so mark the date on your calendar and keep it open. This is a "can't miss" event. We will need all club members to attend and help. Plan on arriving at the party site between 3:30-4:00PM. We will have more information at our November club meeting. Our goal for 2019 is to fill *two* enclosed car trailers with toys and bicycles! Our Toy Drive Chairman, Mike Keller will have more information at our November club meeting.

### REMINDERS:

- Sam Frisby will happily accept your 2020 club dues if you want to pay them before the start of 2020
- Daylight Savings Time ends, and Standard Time returns, during the very early morning hours on Sunday, November 3<sup>rd</sup>, so remember to correct all of your clocks Saturday night or you will be sitting in the parking lot for an extra hour on Sunday morning wondering where everybody is while you are waiting for our November club meeting to start!
- Nominations and election of our club officers for 2020 will be at our November club meeting
- Our November 3<sup>rd</sup> club meeting will be held at our usual location in the banquet room at Cactus Cantina in Riverside. Please make every effort to attend.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the members. //

### Annual Club Activities Status Reports (cont)

- **Fort Irwin Toy Drive 2019 (cont)**
  - Mike Keller has Toy Drive additions with flyers available:

    - Farmer Boys - Car Cruises: Oct 11 - Nov 8 - Dec 13 at 11499 Foothill Blvd, Rancho Cucamonga (Foothill & Milliken in Lowes center)
- **Annual "Unholiday Party" (2020)**
  - March 7<sup>th</sup> is the date agreed upon. Norma advised will have location information for our next meeting
    - Black Bear Diner - 10910 E Foothill Blvd, Rancho Cucamonga (between Haven and Milliken)
    - Black Bear Diner - 12325 Mountain Ave, Chino (south of CA-60)
- **2020 Grand National Roadster Show (fundraiser) January 24-26**
  - Club member owned cars selected to be in our club display:
    - Joe Bolin's 'Cuda
    - Joey & Daemon Garcia's Duster
    - Dave Miller's Valiant
  - Club needs to reimburse Joe Bolin, Joey Garcia, and Dave Miller for \$150.00 entry fees. Sam will send checks to each of them.
  - Laura (Rodshows) advised they are no longer using Bldg. 8 as a club display building. Suggested we might consider their new outside "club group parking" area; 10 cars needed to reserve a "club" area. Ken thought this would probably be the area just north of the fire station which would not get much foot traffic.
  - Laura advised she cannot guarantee our three cars will be parked together inside or in the same building. Ken replied expressing disappointment and said he felt that our continued long-term support of Rodshows by working the GNRS shows would have earned a little loyalty from Rodshows toward Inland Mopars.
  - Laura replied saying she forwarded Ken's comments to John Buck. She is continuing to try to get all three cars parked together.
  - Confirmation was received that Rodshows received all three of our club car entries and pictures.
  - Ken advised the contract has been signed.
- **20<sup>th</sup> Annual Mopars in May at CSDR Car Show, May 17, 2020**
  - Mike Counts advised that the artwork is back and we have draft for flyer, which was routed for review.
  - He has paperwork from Brandon from the State and will overnight.
  - For the shirt artwork, \$500.00 is required up front and \$1,000.00 for the shirts (\$1,500.00 for 100 shirts). Mike Counts made a motion and Paul seconded to pay the artwork fee of \$500.00.

### Annual Club Activities Status Reports (cont)

- **20<sup>th</sup> Annual Mopars in May at CSDR (cont)**
  - There was discussion about dropping the 3<sup>rd</sup> place trophy to save time at the trophy presentation and expense as well as trimming number of classes. Norma made a motion to have 1<sup>st</sup> & 2<sup>nd</sup> place trophies only and Kim seconded the motion. Mike Keller advised that the plates had already been completed from last year. There is a \$5.00 charge to create a new plate. Bill Heckman made a motion to use the 3<sup>rd</sup> place trophies this year and Norma seconded the motion. This will be tabled until next month.
  - There will be a "save the date" flyer for Fall Fling with no classes listed. Mike Counts will get these to Leo Tafoya for the event.
  - Dave Miller offered to assist with printing larger quantities of flyers to help the Club with expenses.

Ken already covered the picnic in the President's Message. No photos & details were supplied.

See meeting minutes.

### Inland Car Fest

Saturday October 19<sup>th</sup> was the day of the 2<sup>nd</sup> Annual Inland Car Fest hosted by 909 Mopars & Mopar 360. Inland members in attendance: Mike Counts (first registration award), Lonnie & Robin Clabaugh (Moss Bros Pick), Paul Roddy, Mike Keller, Norma Johnston, & Jason & Zoey Gibbons. Steve Backer was in his 909 Mopars colors.

## Ontario Elks 10<sup>th</sup> Annual Car Show

On October 6th, Inland Mopars held their monthly car club meeting at the 10<sup>th</sup> Annual Ontario Elks Car Show at the Elks Lodge in Ontario. We actually got to use one of the rooms inside so we wouldn't be disturbed by the outside noise. Meeting minutes elsewhere.

Not sure who got to the meeting spot first but by the time I arrived (without the car again) at the show, Bob Kallas, BJ Hayden, Sam Frisby, Bill & Debbie Whitson, Joe Bolin & Tish Andersen, Mike Counts, Norma Johnston, Bill Heckman, and Lonnie & Robin Clabaugh brought their Mopars. Others showed up for the meeting. Meeting minutes elsewhere.

The breakfast buffet was great. It was a nice sit down meal at a table with a table cloth, rather than eating at your car and ending up wearing half of it. There were over 120 cars in attendance as well as a few vendors. Most of the Mopars were brought by Inland Mopars, but the other couple of Mopars in attendance were pretty nice. Ex-Inland Mopars members Tim & Nita Clein brought their '71 Challenger convertible.

Norma put together a beverage basket for the Elks raffle.

Award time and I think Inland Mopars was shut out again from the Elk's judged picks since I didn't hear any different. But Lonnie & Robin Clabaugh & their '69 Plymouth GTX did get the trophy for Participant's Choice.

## Upcoming Ft. Irwin Toy Drive Party

Ft. Irwin Toy Drive Christmas Party UPDATE: There is a pre-party planning meeting being set up with Don and Ann Long in November so we will have a full report for everybody at the December club meeting. The over 12,000 square foot "Party Garage" sits on the southern portion of what was originally an avocado orchard and horse corral on their property, and now houses their vast array of vintage items for us to view, experience and appreciate. Some of the displays include:

- 30 vintage automobiles
- Storefront shop displays, resembling Disneyland's Main Street appearance
- Shops include a Barbie doll collection, an old-fashioned country store, a barber shop and a church
- A Texaco Service Station
- 1930s garage complete with authentic tools
- A speed shop
- An authentic old barn

Don says he was inspired by the original Peterson Automotive Museum displays.

## SEMA Stolen Car Report

# STOLEN: ProCharger's 2018 Challenger SEMA Booth Vehicle

By **SCOTT PARKER** OCTOBER 31, 2019  
STREET MUSCLE MAGAZINE

On this Halloween evening, we are reporting on a “nightmare with a happy ending.” According to [ProCharger](#), the 2018 Dodge Challenger SRT built by [Quintin Brothers Auto and Performance](#), which had just arrived in Las Vegas, NV to be in ProCharger's SEMA display, was stolen. The 700+ horsepower supercharged, wide-body Challenger went on a 12-hour joy ride with four police cars in hot pursuit. Ten more cars joined the pursuit until the suspect crashed the Challenger into a police car, ending the chase.

Damage to the car is extensive, but thankfully no one was injured. In a bizarre tale that ended much like the Challenger chase scene in *Vanishing Point*, the exterior was destroyed, the stereo was stolen and a baby seat was added to the back seat. In the hours that followed the initial news, an outpouring of good will came from social media – offering to replace the car for the booth. But the Quintin Brothers and ProCharger, and even the Las Vegas Police Department, agreed the cars deserved to be in the booth. You can expect to see the Challenger in ProCharger's booth next week, untouched as it left the crime scene. Stay tuned to Street Muscle's Facebook page for photos of the car from the 2019 SEMA Show.

**Video of Challenger in the Parking Garage & Suspects**

“Let’s be honest, after the countless hours the builders poured into this Challenger for SEMA... Police chase or not, the car deserves to be there,” said ProCharger’s Erik Radzins.

In ProCharger’s statement, the Quintin Brothers were quoted: “We are so thankful for the fast work of the Vegas PD and social media, and can’t wait to get the car home and rebuild it for more supercharged smoky burnouts.”

Mr. Quintin,  
I wanted to let you know we were working non stop when we first received the call reference your stolen vehicle. We understood the high priority with recovering your vehicle ASAP. We had not only LVMPD working to find the Challenger, we had North Las Vegas PD and NV Highway Patrol looking as well. I was very happy we were able to locate your vehicle quickly but I am deeply sadden that the suspect caused damage to such a beautiful car.

I hope that Procharger understands what had occurred and would still be willing to have your car entered in SEMA because this is a story for the history books!

- 1966/67(?) Charger, definitely needs tires and it does run and the AC works. My husband built it from frame up and painted it himself. This was his baby and I was supposed to sell it to pay for his funeral but I can't sell it just to anybody, I need it to go to somebody that would appreciate it if that makes sense. Asking \$30,000.

**1969 Dodge Dart Swinger! - \$25,000**

- This is the real deal LM23P car and is super clean. No rust anywhere that I could find!!! This is a real, Y2, Sunfire yellow car. Body panels are believed to be all original. The undercoating of the car looks to be original. The original 340 motor is long gone. It now has a 360, stroked to 408 and runs very strong. It has a brand new MSD billet distributor with MSD 6-AL box for added spark. A new mechanical fuel pump has been added, TTI Shorty headers into dual exhaust with an H pipe and new exhaust with chrome tips out the back. It has a Holley 750 double pumper carburetor sitting on top of an Edelbrock RPM Airgap intake, brand new spark plugs, recent oil change and MSD plug wires. The new alternator has been wired for a one wire hookup. The sound is incredible!!! The Dart drives and rides very nice!

It's had the column shifter transferred to the floor with an added console. The newly covered bucket seats were added for a more sporty look. The seats, carpet, headliner and dash all look great!!! There is an added oil pressure gauge that stays at 60 pounds of pressure.

The blinkers, headlights, radio and wipers all work as they should.

The 727 automatic transmission shifts excellent. The trans has a reverse valve body. It has a 7 quart deep oil pan. Rear has 3:23 gears. The original 4 1/2 inch drum brakes have been kept original.

The car comes with 2 build sheets. It has the original fender tag and plenty of receipts of what was added or repaired. The car will come with original dog dish, poverty cap wheels and new tires. The new Cragars and tires do not come with the car but will be available for sale separately
