## President's Message

Ken Hamer

### *...and More Thanks*

The message last month was centered on thanking all club members who helped with either/both the 2019 "Wreaths Across America" and/or the 2019 Fort Irwin Toy Drive delivery. This month I want to continue with Thank You to all club members who helped out by working the 2020 Grand National Roadster Show. As you are aware, working the GNRS is the main annual fundraiser activity for Inland Mopars. The volunteering of your time and effort this past weekend is greatly appreciated. Working the show and meeting car people from all over the country, and from all over the world, is always a lot of fun. This year I met people from Australia, New Zealand, France and Sweden. Some came here to include the GNRS as part of their trip to the USA, and some came solely to attend the GNRS. I have always found it fascinating that people will travel halfway around the world specifically to come to Pomona for a car show!

Thank you also to those who volunteered to show their vehicles in our annual GNRS club display and thank you for all of your time and hard work getting your cars ready to represent Inland Mopars. Our annual display allows us to feature several different club cars each year and to also get our club name out there. We always hope to also attract new club members. We were originally told that there would be no club displays at the 2020 GNRS, but our continued long-term help working the show was a key factor in our being able to have our club display tradition continue.

## President's Message (cont)

Continued from Page 1

There were more stellar GNRS results for our club cars this year. Dave Miller took home a 1<sup>st</sup> Place award in the Pro Street class for his and Tanya's '68 Valiant, Joey and Daemon Garcia grabbed a 2<sup>nd</sup> Place award in the Conservative Hard Top/Sedan class for their '74 Duster, and Tish Anderson reported that Joe Bolin took home a 3<sup>rd</sup> Place award for his '70 Barracuda.

What cars will be featured in our club display next year? The entry deadline date is October 1, only about ten months away so the decision on any projects in progress needs to be made soon and plans made to get those projects finished in time for the 2020 show. You need to start shining them up because the move-in date for the next GNRS is January 28, 2021.

Our February 2<sup>nd</sup> club meeting will be in the banquet room at the Cactus Cantina. As always, we will meet at 9AM for breakfast and get our club meeting started as close to 10AM as possible. Some of the topics for discussion will be a post-GNRS event review and the start of in-depth planning for our upcoming 20<sup>th</sup> annual Mopars in May all-Mopar car and Truck show scheduled for May 17, 2020, at the California School for the Deaf, Riverside. Just as with our Toy Drive, we need all club members help to make this event as successful as we can. We only have three club meetings after February to tie down the planning for our 2020 car show.

And don't forget, Sil & Carol Brander are hosting their annual Super Bowl viewing party at their home following our February club meeting. Chili dogs are on the menu this year plus whatever goodies those attending bring to share. Please contact Carol at 951 312-4079 to RSVP and let her know what you may be bringing.

Sam is also still collecting 2020 dues.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the members. //

## Meeting Minutes-January

The January 5<sup>th</sup>, 2020 meeting of Inland Mopars, held at Cactus Cantina in Riverside, was called to order at 10:20 AM by Sergeant-at-Arms, Mike Counts.

Members Present: Tim & Diane Baer, Joe Bolin & Tish Anderson, Sil & Carol Brander, Lonnie & Robin Clabaugh, Mike Counts, Sam Frisby, Jason Gibbons, Ken & Judy Hamer, Bill Heckman, B.J. Hayden, Norma Johnston, Mike Keller, Dave Miller, Paul Roddy, John Smithson, Leo & Barbara Tafoya, and Harry Windhorst.

Happy Birthday to our club members with January birthdays: Robin Windhorst, Sil Brander, Judy Rowden, Steve Kuramoto, Kelly Roddy, Rick Cook, Beth Backer, Norma Johnston, and B.J. Hayden.

New Club Members - We welcomed Chris Thompson and his son, Christopher, who attended today's meeting and became members of Inland Mopars.

We now have two Australian members, as Martin Hubbard, who visited with Rob McLean in 2019, sent his Mopar-ownership history. This will be included in the February newsletter, along with translation for some "Aussie" terms (**have not seen**). Martin is interested in establishing an Australian Chapter of Inland Mopars; they have possibly 6-10 interested. None of our members are opposed to this. They would receive our newsletter via email. Regulations in Australia allow for modification of older, not newer cars. Ken will ask Martin to look into rules and regulations of starting a car club in Australia. It was agreed that they should keep dues funds in Australia.

Treasurer's Report - Sam gave the treasurer's report. So far, 22 member families have paid dues for 2020.

### Club Social Media

- Club Website - Joey Garcia was unable to attend today's meeting.
- Facebook - Mike Counts shared that we have had over 900 views on our posts.
- Instagram - Jason Gibbons needed to leave today's meeting early due to work schedule.

### Announcements:

- Club newsletter - Mike Keller requested photos and updated progress information on ongoing club member Mopar project vehicles for future newsletters. Please forward pictures and info to Mike via email. Please continue to forward progress pictures and info as your projects move closer to completion.
- Also, please send copies to Joey Garcia (club website), Mike Counts (Facebook), and Jason Gibbons (Instagram).
- Tee Shirts - Sam will be placing a tee shirt order very soon. Pricing will depend on quantity ordered. He will be placing a regular order, plus long sleeved as requested. Some of us had already emailed Sam to request and more were added at the meeting.

### Past Club Business and Activities:

#### December

- 7<sup>th</sup> - Ramona Tire Toy Drive event (in the rain). Thanks to everyone who participated. There were 6 cars, 15 people, and 3 hours of rain, even with it being postponed from the week prior due to rain.
- 9<sup>th</sup> - Toy Drive trailer loading at Sil & Carol Brander's. Thanks to all who helped.
- 13<sup>th</sup> - Toy Drive Party set-up at Don & Ann Long's. Thanks to all who participated.
- 14<sup>th</sup> - Toy Drive pick-up in La Mesa and Party at Don & Ann Long's. Thanks to the Color Guard from Kaiser High School JROTC who presented the colors. Thanks to all club members who attended the party and a special thanks to those who stayed until the end and helped clean up and put away tables and chairs away. A very special thanks to Mike Keller for all the miles driven this weekend (627!!).
- 14<sup>th</sup> - Wreaths Across America, Riverside National Cemetery. Thanks to everyone who assured that our club members' family members were honored with a wreath.
- 15<sup>th</sup> - Toy Drive delivery to Ft. Irwin. Thanks to Tim & Diane Baer, Ken & Judy Hamer, Mike Keller, Dave Miller, and Paul Roddy for participating. A special thanks to Sil & Carol Brander for the use of their trailer, and to Dave Miller for the use of his trailer. We appreciate Mike Keller and Dave Miller for towing the trailers to Ft. Irwin. Our club received a ton of appreciation from the personnel at Ft. Irwin. There are about 3,000 kids at Ft. Irwin this year. As usual, those participating in the delivery went to lunch at Pizza Hut at Ft. Irwin. Sgt. Williar picked up the tab on behalf of the Security Directorate staff, "Happy Sam".
- 2019 "Go Fund Me" results; \$50.00 total was donated by one person from For A-Bodies Only. Since this was not withdrawn before the Toy Drive delivery, the net proceeds, \$48.25, will be part of our 2020 funds.
- Mike Keller gave an overall report on the 2019 Toy Drive to date: There will be a "debrief" from Don & Ann Long in January or February regarding the party. There were about 200 guests. 600 invitations went out including 150 emails; none were mailed. This year's guest book will be helpful for next year as the information is more legible and complete. The Long's friends and church family assisted at the party. Ken shared feedback he received after the party that more dedicated help is needed by Inland Mopars members helping guests with toys and food at the curb as well as scheduled help staying at the trailer for toy loading for guests arriving later. We will incorporate this feedback for next year. It would be great if more club members could attend this event.

Mike Keller shared ideas for the 2020 Toy Drive to increase toy donations. Mike talked with Matt Deane at Glendora Dodge about having a toy drop box at the dealership for a six-month period. We will collect toys at our Mopars in May show. Other events being planned are at the March Air Reserve Museum show in June, South Bay Mopars show in August, and Motech Performance in November. Please share ideas, contacts, and connections regarding possible

Also, Lonnie is making some trophies. Mike Keller advised there are 38 completed trophies ready to go, marked in yellow on the list. We need trophy sponsors for 60. Dave Miller will work on the list to be emailed to him. Mike Counts thought it would be great if one of us wore his Wiley Coyote costume at the show, and worked the crowd for about an hour like he did at Trunk or Treat, as it was a big hit.

## Ft. Irwin Toy Distribution...some more photos by Judy Hamer

Saturday January 11 was the day of the Ft. Irwin toy distribution. The troops were back from their Christmas leave & the kids were ready. Inland Mopars members Ken & Judy Hamer, Tim & Diane Baer, Dave & Tanya Miller, & Paul Roddy were joined by Mark Barnett of Blue Diamond Entertainment (DJ at multiple car cruises & toy drives) along with Hilton Vail, his wife & daughter and several of his "bike friends" for a lunch at one of the Ft. Irwin restaurants (not Pizza Hut) with several of the military personnel prior to the actual toy event. The military personnel were surprised to find out we were not located in Barstow but were from over the hill, as well as Hilton & friends were from the San Diego area.

### **For Sale - Texas**

**1969 Dodge Dart Swinger! - \$25,000**

- This is the real deal LM23P car and is super clean. No rust anywhere that I could find!!! This is a real, Y2, Sunfire yellow car. Body panels are believed to be all original. The undercoating of the car looks to be original. The original 340 motor is long gone. It now has a 360, stroked to 408 and runs very strong. It has a brand new MSD billet distributor with MSD 6-AL box for added spark. A new mechanical fuel pump has been added, TTI Shorty headers into dual exhaust with an H pipe and new exhaust with chrome tips out the back. It has a Holley 750 double pumper carburetor sitting on top of an Edelbrock RPM Airgap intake, brand new spark plugs, recent oil change and MSD plug wires. The new alternator has been wired for a one wire hookup. The sound is incredible!!! The Dart drives and rides very nice!

It's had the column shifter transferred to the floor with an added console. The newly covered bucket seats were added for a more sporty look. The seats, carpet, headliner and dash all look great!!! There is an added oil pressure gauge that stays at 60 pounds of pressure.

The blinkers, headlights, radio and wipers all work as they should.

The 727 automatic transmission shifts excellent. The trans has a reverse valve body. It has a 7 quart deep oil pan. Rear has 3:23 gears. The original 4 1/2 inch drum brakes have been kept original.

The car comes with 2 build sheets. It has the original fender tag and plenty of receipts of what was added or repaired. The car will come with original dog dish, poverty cap wheels and new tires. The new Cragars and tires do not come with the car but will be available for sale separately
